**Bacc/MD Workshop Series:** Learn how to have a reserved seat in medical school! Freshmen will learn about the program and how to become competitive applicants. Sophomores will learn about this year’s application process.

Join UA and NEOMED the first Wednesday of each month to learn more.
- Sep 6 Bacc/MD Series Part 1 @4pm in Student Union 321
- Oct 4 Bacc/MD Series Part 2 @4pm in CAS 124
- Nov 1 Bacc/MD Series Part 3 @4pm in Student Union 321

Can’t make it at 4pm? Join NEOMED Assistant Director of Admission Jill Thompson before the workshop from 3-4pm for one on one guidance!

**OMED:** Ohio Medical Education Day is an all day event for students to learn how to prepare for, enter, and be successful in the medical field. Attend sessions and medical student panel discussions. Meet representatives from all Ohio Medical Schools under one roof! More details and registration info to come.

**Interview Essentials:** Learn what to expect from a professional school interview, how to prepare, and what will set you apart from others (recommended for Juniors and Seniors)

**Intro to Pre-Med:** Introduction to everything Pre-Med, courses to take, admissions statistics, and info about UA partnership programs (recommended for Freshmen and Sophomores)

**Intro to Pre-Health:** Includes Pre-Dental, Pre-Pharmacy, Pre-Physician Assistant, Pre-Optometry, and Pre-Veterinary information (recommended for Freshmen and Sophomores)

**Gap Year and Plan B:** Learn about reasons for taking a gap year, the application cycle, and strategies for creating a plan B (recommended for Sophomores, Juniors, and Seniors)

**Resume Building:** Learn how to plan your undergraduate time wisely and fill your resume/application with relatable experiences in preparation for professional school (recommended for Freshman, Sophomores, and Juniors)
