

THE JOHN & BARBARA GILLETTE STUDY OF THE ARTS ABROAD SCHOLARSHIP

PROGRAM DESCRIPTION

The John & Barbara Gillette Study of the Arts Abroad and Academic Scholarship Fund for The University of Akron's Mary Schiller Myers School of Art was established in 2013 by John & Barbara Gillette to provide students with the opportunity to explore the borderless and timeless language of the arts, and to provide the gift of education for art majors. The Gillette Study of the Arts Abroad Scholarship offers invaluable lessons in life and art for junior and senior-level students who have declared art as their primary major. For the students who are selected to participate in the program, it is a high honor and responsibility. Held in even numbered years starting in 2014, the Gillette Study of the Arts Abroad Scholarship program will provide full support for overseas travel and study in contemporary art forms, art culture and art history.

The Gillette Study of the Arts Abroad Scholarship is one of the most prestigious and valuable awards offered through the Myers School of Art. The application process is highly selective, and only seven to ten scholarships are awarded. All art majors who meet the eligibility requirements are welcome to apply; a faculty nomination is not necessary to earn this scholarship. Your application materials are of critical importance: you are strongly encouraged to put your best work forward in order to be competitive for this scholarship.

SCHOLARSHIP ELIGIBILITY

Eligible for the Gillette Study of the Arts Abroad Scholarship are undergraduate students who:

- have a cumulative grade point average of at least 3.000;
- have at least a 3.500 grade point average in their Major (all ART/7100: Art classes);
- will be a Junior or Senior in the semester of travel;
- have a declared art as their primary major; and
- are in good standing with the Office of Student Conduct and Community Standards.

Ineligible for the Gillette Study of the Arts Abroad Scholarship are:

- seniors graduating in the semester of travel;
- students who submit incomplete or late applications.
- students who have already traveled on either a Gillette Study of the Arts Abroad or a Venice Biennale trip.

Preference will be given to applicants who have not yet been awarded a fully-funded international travel scholarship.

APPLICATION

Application materials should be submitted to the Manager of Student Affairs by **noon on the Friday, February 24, 2023**. Submit a pdf of the following materials in order via email to the Manager of Student Affairs. Your pdf must be titled **LastName_FirstName_Gillette_YearOfTravel.pdf**.

1. Cover sheet

The requisite cover sheet must be completely and accurately filled out; reformatted cover sheets are not permitted. If you need assistance determining your GPA or earned credit hours, please consult the Manager of Student Affairs.

The cover sheet can be found on the last page of these guidelines.

2. Work Sample

- **Studio and Graphic Design Majors:** Submit documentation of 3–6 exemplary works (minimum of 3 for 3-D artists and 6 for 2-D artists). Students must independently select which works to include. Label each work with title, date, dimensions and materials. If a piece was created as a class assignment, include the class and assignment name. If appropriate, students may include an artist's statement no longer than one page (250 words).
- **Art Education Majors:** Submit a sample of curriculum development such as a full lesson plan with studio samples, electronic portfolios, or an advanced research project.

3. Letter of Interest

The letter of interest should be a clear and concise document, at least three pages in length (750 words). The standard format will be: 12-point, Times New Roman font, double-spaced. Research the destination(s) of the Gillette Study of the Arts Abroad Program, and in your letter, address the following questions as thoroughly as possible:

- How will the museums, sites, and experiences at the destination(s) be influential in your growth and development as an artist, designer, scholar, or educator?
- Indicate specifically how the culture, artistic heritage, and/or history of the destination(s) will be inspirational to your work.
- How will the contemporary art on exhibit shape your work as an artist, designer, scholar or educator?

4. Resume

The resume must include your full name, student ID #, UA email address, phone number, address, education history, and work history (if applicable). Detailed, comprehensive resumes assist the committee in evaluating your application; many students, especially those in Graphic Design, find that their professional resume needs significant additional information and narrative detail.

Be certain to highlight the following aspects:

- **Professional Growth and Accomplishment:** Highlight the public presentation of your work in venues such as: solo and group exhibitions including those sponsored by the Myers School of Art such as the Juried Student Show, the Student Art League show, the Myers School of Art Studio Scholarship show, GAR UA/KSU exhibition, participation in conferences and research symposia, and any presentation at outside galleries or museums (i.e., AAM or CMA). Demonstrate your professional growth through: awards and honors received; educational travel; work history; internships; membership in professional organizations, such as Spaces Gallery or MOCA.
- **Service to the School and Community:** Document your commitment to the Myers School of Art and the arts community in NE Ohio. This can include gratis art/design projects; internships; organizing lectures, films and/or art walks; UA student organization membership/leadership roles; mentorship of fellow students; volunteering for Myers School of Art recruitment events.

Sample formats for resumes by discipline can be found on the College Art Association website (collegeart.org/guidelines/) or in The University of Akron Career Center (uakron.edu/career/).

5. Academic Transcript
