

DASHIELL TRAVEL AWARD

PROGRAM DESCRIPTION

The Malcolm J. Dashiell scholarship fund was created in 1997 through an estate gift from Janet Dashiell Gardner in memory of her husband who taught sculpture at The University of Akron for 17 years and helped establish the Bachelor of Fine Arts degree program. Earnings from this endowed fund will be used to provide financial assistance to students majoring in art for educational travel experiences, including foreign travel, sponsored study abroad, workshops, seminars, field trips, independent study, conferences and travel to temporary and permanent exhibits which relate to art studies.

The Dashiell Travel Award The Dashiell Travel Award provides students in the Myers School of Art **partial support** for educational travel. Appropriate opportunities include:

- study away or abroad with a daily art-related itinerary (Myers School of Art sponsored trips for which dedicated scholarships exist are not eligible for Dashiell funds);
- art workshops such as those offered at Penland, Cortona, or Arrowmont;
- art seminars and conferences such as SPE (Society for Photographic Education), SNAG (Society for North American Goldsmiths), NCECA (National Council on Education for the Ceramic Arts), SGCI (Southern Graphic Council International) or AIGA (American Institute of Graphic Arts);
- travel to temporary and permanent art exhibits, including foreign travel; and

Those traveling on group trips organized through Myers School of Art may apply for individual Dashiell Travel Grants if they meet the eligibility requirements, but preference is given to individual student travel.

APPLICATION

Application materials should be submitted to the Manager of Student Affairs by **noon on the Friday the eighth week of the semester**. Submit a pdf of the following materials in order via email to the Manager of Student Affairs. Your pdf must be titled **LastName_FirstName_DashiellT+M_SemesterYear.pdf**. No materials will be accepted in hard copy or as print outs.

1. Cover sheet

The requisite cover sheet must be completely and accurately filled out; reformatted cover sheets are not permitted. If you need assistance determining your GPA or earned credit hours, please consult the Manager of Student Affairs.

The cover sheet can be found on the last page of these guidelines.

2. Resume

The resume must include your full name, student ID #, UA email address, phone number, address, education history, and work history (if applicable). Detailed, comprehensive resumes assist the committee in evaluating your application; many students, especially those in Graphic Design, find that their professional resume needs significant additional information and narrative detail.

Be certain to highlight the following aspects:

- **Professional Growth and Accomplishments:** Highlight the public presentation of your work in venues such as: solo and group exhibitions including those sponsored by the Myers School of Art such as the Juried Student Show, the Student Art League show, the Myers School of Art Studio Scholarship show, GAR UA/KSU exhibition, participation in conferences and research symposia, and any presentation at outside galleries or museums (i.e., AAM or CMA). Demonstrate your professional growth through: awards and honors received; educational travel; work history; internships; membership in professional organizations, such as Spaces Gallery or MOCA.
- **Service to the School and Community:** Document your commitment to the Myers School of Art and the arts community in NE Ohio. This can include gratis art/design projects; internships; organizing lectures, films and/or art walks; UA student organization membership/leadership roles; mentorship of fellow students; volunteering for Myers School of Art recruitment events.

Sample formats for resumes by discipline can be found on the College Art Association website (collegeart.org/guidelines/) or in The University of Akron Career Center (uakron.edu/career/).

3. Proposal Narrative

- **Describe the type of educational travel the award will support** (e.g., study abroad, conference, workshop, or other travel experience). Include travel dates, the sponsor of the trip (if appropriate), a detailed itinerary, and any additional applicable information. For programs with admission requirements, indicate the status of your application (accepted, waitlisted, etc.).
- **Explain in detail how this travel experience will help your academic and professional development.** Mention any opportunities you will have to interact with professionals and experts in your field during the travel experience.
- **Describe the body of work or research project related to the travel experience.** Explain your research and conceptual interests in the area(s) of art, design, art history, or education. This summary should be clear, concise, and free of technical terminology and jargon. Students are encouraged to cross-reference the sample(s) work submitted.
- **Discuss the need for project funding.**
- **Address plans to engage the arts community** in the Myers School and the University of Akron, and/or the broader local, regional, or national community post-travel to share what you have learned. This can be accomplished through a variety of creative ways, including an exhibition, high school visit (accompanied by faculty or staff), class visits (in conjunction with faculty), presentations, or process demonstrations. Be creative – the goal is to share your learning broadly and effectively with the greater Myers community.

4. Budget

The Dashiell Travel Grant can be used to cover domestic and international travel costs; lodging; meals; local transportation while away from Akron; international health insurance (if purchased through the University of Akron); as well as appropriate registration and museum admission fees.

Submit a detailed, complete budget for your entire educational travel experience; budgets listing only items for which funding is requested are not complete, and may be rejected outright or subject to reduced funding at the discretion of the committee.

- **The travel budget must be reasonable and realistic.** It must account for all major expenses involved in the travel experience. Since funding is limited, applicants are expected to utilize award funds effectively. A lack of effort to obtain cost-effective transportation or lodging will count against an applicant. If an applicant requests funding for particularly expensive travel expenses, they must be justified.
- **Applicants must disclose all additional funding sources**, including Director's Grants, self-funded contributions, contributions from student organizations, and all other subsidies. Applicants must also disclose if they will be compensated in association with this award. For example, if you will be paid for a service or lecture (including events intended to fulfill the community engagement requirement of the Dashiell Travel Award), this must be disclosed.

5. Work Sample

Submit examples of your strongest work in order to support your application.

Students are expected to select their work independently, without consulting faculty or others for advice. You are encouraged to refer to these examples of your work in the proposal essay.

- For studio majors: 5-10 images documenting your work plus artist's statement, if appropriate for your concentration. Images should be labeled with title, date, dimensions, and materials. If the work was created for a class assignment, note that in the caption as well.
- For art history majors: research paper.
- For art education majors: sample of curriculum development such as a full lesson plan with studio samples, electronic portfolios, or advanced research project.

6. Recommendation Letter

If, and only if, this application is required for a class, an individualized letter of recommendation from the assigning faculty member is required.

Recommendation letters may be submitted by email directly to the Chair of the Scholarships and Grants Committee.

DEADLINE

Application materials should be submitted to the Manager of Student Affairs by

12:00 noon on the Friday of the eighth week of the semester.

A single pdf of the above materials should be emailed to the Manager of Student Affairs. The pdf must be titled **LastName_FirstName_DashiellT+M_SemesterYear.pdf**.

No materials will be accepted in hard copy or as print outs.

AWARD NOTIFICATION

Applicants will be notified by email of outcome of their Dashiell Travel Award application. Recipients of the Dashiell Travel Award will be announced at the Myers School of Art Awards Ceremony at the end of the spring semester.

EXPECTATIONS OF SCHOLARSHIP RECIPIENTS

If selected to receive an award, **you are obligated to:**

- **Meet with the Myers School of Art Budget Coordinator, Carolyn Jentner** (cj19@uakron.edu; 330-972-8801; Folk 103D) to review the reimbursement process and paperwork.
- **Give back to the school** by participating in school-sponsored events. Events can include high school visits, Portfolio Review Days, speaking to an Arts Orientation class about your award, and other events where a student's voice and perspective are valued. Your participation will be coordinated by the Manager of Student Affairs, and by accepting this grant you agree to serve in at least three events over the next two semesters.
- **Fulfill your pledged contribution to Myers arts community within 6 months of your award.** If your contribution is an event, you must advertise it at least one week in advance, and you are strongly encouraged to schedule it in order to maximize your outreach. Dashiell recipients must submit a brief report documenting their 'give-back' within 2 weeks of the event; award recipients will be provided with a form to complete which includes the event name, location, date and time, as well as a brief description of the activity and an estimate of its attendance. Email reports to the Manager of Student Affairs.

Failure to complete all of these requirements may result in the award not being disbursed and/or a hold being placed on your student record.
