

# THE UNIVERSITY OF AKRON

## Career Outcomes

We surveyed our Spring 2018 graduates to determine their career outcomes.

### UA's Overall Placement Rate

At six months post graduation, 92% of Spring 2018 graduates who earned an undergraduate degree are employed full time, part time, or are continuing their education.

*\*National Overall Placement Rate is 81%(NACE, 2017)*

# 80%

80% who earned an undergraduate degree are employed full time in their chosen field or in a position that requires a degree, or they are continuing their education (i.e. graduate school).

### Experiential Learning

A graphic showing the number 83% in large blue font. To its right is a faint, light blue background illustration of two hands shaking in a firm handshake.

83% of students that earned a bachelor's degree participated in at least one experiential learning experience\* before graduating.

\*Experiential learning includes internships, practicums, assistantships, student teaching, undergraduate research, field experiences, clinicals, volunteer work related to major, and study abroad.

### Average Starting Salary of Bachelor Degree Graduates

With Experiential Learning:

## \$54,014

Without Experiential Learning:

## \$48,596
