## Some facts about the Projects:

## Receive Up to \$2000 & Make It Happen

With a commitment to complete the Leadership Advancement Certificate Program, students are eligible to receive a “Leadership Advancement Award” of up to \$2000! The awarded amount can be applied towards the “Leadership Experience Project.”

*This funding allows students to take a risk, diversify their academic experience, and receive opportunities that will help them stand apart from other college graduates.*

To do this, students will include a budget proposal outlining how the funds will advance their leadership experience and their projects.
