

Department of Chemistry Scholarship Application

The scholarship application is to be completed by **only those students** who are B.A. or B.S. Chemistry, B.S. Chemistry-Polymer Option or B.S. Biochemistry majors. Eligible students will have declared Chemistry or Biochemistry as their major with the University and have signed a Chemistry Curriculum Contract with their Chemistry department advisor (name can be found on My Akron) that is on file in the Chemistry department. **If you are a major in another degree granting college, you are not eligible for Chemistry's scholarships.** If you have questions, please call the chemistry department or stop by the chemistry office.

Please fill out all information below and return via email to: garciaj@uakron.edu no later than Friday, February 21, 2020. *Scholarship recipients* will be notified via email no later than Thursday, March 20, 2020.

Please note: The University of Akron Student Financial Aid Office also participates in determining eligible students with regards to our scholarships with respect to the maximum dollar cap the university has in place for scholarship recipients. Thus in some instances, the award of our scholarship monies would exceed a student's cap. In those cases, the department will award the scholarship in name so that you are recognized for your success and can add the award to your resume.

TODAY'S DATE: _____

NAME: _____ UA Email: _____ ID#: _____

Address: _____ City: _____ ST: _____ Zip: _____

Current Status: (Fresh, Soph., Jr., Sr.) _____

Cumulative GPA (as of end of **Fall 2019**): _____

Total # of **Completed** Credit Hours (as end of **Fall 2019**): _____

Chemistry Classes taken Fall 2019: 3150: _____

Chemistry Classes enrolled in Spring 2020: 3150: _____

Have you formally declared Chemistry or Biochemistry as your major, met with your Chemistry department advisor and signed your contract? _____
