

The University of Akron | Faculty/Staff Recurring Gift Plan

Your commitment and generosity to The University of Akron are greatly appreciated!

UA offers two ways to make recurring gifts: **via your credit card or via your paycheck.**

Recurring gifts made via your credit card are preferred, as they save time and money; however, both options are available. To establish a recurring gift, please print this form, choose your gift method, enter the information requested, and return the form to the Department of Development. Thank you!
