

everyone there.

Our chapter has been competing hard in intramurals this past semester, capped by a first place finish in basketball. All three of our teams made it to the playoffs for the first time in years. We have now also begun what will hopefully become yet another successful volleyball season.

## KAPPA KAPPA GAMMA

The ladies of Kappa Kappa Gamma hope everyone is having a great semester! This semester has started off great with our chapter receiving the New Member Academic Excellence Award and the bronze level of the Praestantia Chapter Excellence Award! On March 31st we initiated 12 wonderful women into our chapter, and couldn't be more excited about it! Congratulations to all of the chapters for a great recruitment this year. Our annual Sapphire Ball will be held April 13th and our upcoming Home Cooked Meal event is on April 25th from 6-8pm at the Kappa house. This event will help raise money and provide new or gently used children's books for our national philanthropy, Reading Is Fundamental (RIF). We hope to see everyone there! Songfest is also coming up for us, and promises to be an exciting night. Kappa Kappa Gamma will be very busy throughout the rest of the semester and into the summer planning for next semester's chapter and philanthropy events. We are so excited to see what the next school year will bring!

## PANHELLENIC COUNCIL

The Panhellenic Council has been working hard this semester to start their terms off right. In February President Ali Rearick, VP Recruitment Brittany Wolonsky, and VP Risk Management Ashley Riccardi attended the Mid-American Greek Council Association conference in Chicago where they learned much and got many ideas for the upcoming year. This past spring we have had two all-sorority sisterhoods including game room fun in the student union and an 80's-themed workout session at the Student Rec. Center. Both were a huge success and brought the women from all of the PHC chapters together. Rho Gamma's have also been chosen and recruitment training sessions are underway as we look forward to the best Fall Recruitment ever! The women of the Panhellenic Council wish everyone good luck on their exams and a safe, exciting summer.

# CHAPTER REPORTS

## ALPHA GAMMA DELTA

The ladies of Alpha Gamma Delta have had a very busy spring semester. During the month of February the new members were busy preparing for initiation learning the history of our fraternity and getting to know their future sisters. Everyone was pleased to welcome them. They are a wonderful bunch of girls who participate in everything that we do! We were so happy to initiate our 14 new members on Saturday, April 14. They will be a great addition to our chapter and we look forward to having them.

We had fun participating in basketball intramurals from February through March. During March, we had a social with Phi Sigma Kappa on the 2nd where we played board games and ate ice cream. The women of Alpha Gamma Delta were excited to attend the Greek Leadership Awards. We received the following awards: Silver Overall, Desiderada (Philanthropic Excellence), Recruitment Excellence, Member Development, and New Member Intake. We are all extremely proud of our accomplishments.

On Saturday, April 14th, we held our Spring Formal. It was held in the Student Union Ballroom. We had a wonderful time enjoying ourselves. Jenn Cundiff, our Social Coordinator, did an amazing job organizing this event. Now everyone is preparing for Songfest 2007.

We're all working hard to make this the best Songfest ever! Good luck to everyone!

## ALPHA PHI

The Alpha Phi's have had an exciting and busy semester thus far. Our spring recruitment was extremely successful, culminating in the initiation of 14 amazing new women on March 11, 2007. To accommodate recent additions to our new member class, we have another initiation scheduled later this semester! Stronger and more excited than ever, Alpha Phi blazed through this semester, winning Anchor Splash and having an amazing showing at the Barry 9-Ball tournament. A major semester highlight was our First Annual Red Dress Gala. Alpha Phi's invited their parents and friends to spend a magical evening in red, learning about the Alpha Phi Foundation, having an amazing dinner and dancing the night away. This extremely successful event raised over \$2,000 for women's cardiac health and research. As the semester winds down, Alpha Phi's are looking forward to their "Bordeaux Buex Ball" which will be taking place in downtown Cleveland at the Velvet Dog club.

Alpha Phi would like to congratulate all Greek Leadership Award winners, including Alpha Delta Pi on their Most Panhellenic Award! We are excited and proud to have been named the "Most Improved" Chapter by the other Panhellenic Chapters!! Thank you to all the women's groups who voted for us, it is an amazing honor. Happy summer! See you in the fall!

## PHI DELTA THETA

The men of Phi Delta Theta would first and foremost like to congratulate the rest of the Greek community for making this spring a fantastic semester.

As a chapter this semester, we have made great strides across the board. From new member education, internal organizational restructuring, participating more on campus and supporting other chapter's philanthropies, spring 2007 was certainly a semester for us to remember.

We would like to wish everyone a safe and prosperous summer, and eagerly look forward to coming back in the fall to participate in everyone's events, as well as to host a couple of our own.

Best wishes to all!

## DELTA GAMMA

The women of Delta Gamma have had an exciting and eventful semester! We started off the spring semester with a very successful recruitment. We had many fun COB's that brought us to house total! The month of March was very busy! The month kicked off by welcoming our new girls into their families at Big/Little. We then spent the remainder of the month preparing for our annual Anchor Splash that was held on March 30th. We would like to thank all of the teams for their participation in our philanthropy event. We started April off with a spaghetti dinner fundraiser and we are now preparing for initiation and Songfest. We would like to wish everyone good luck on their final exams and have an amazing summer!

## ALPHA DELTA PI

The women of Alpha Delta Pi have ended the spring 2007 semester with a lot of exciting events! At the Greek Leadership Awards held on March 11th, the women of Alpha Delta Pi brought home eleven chapter awards! We are very honored to have been recognized with the Praestantia Chapter Excellence Award. We also took home the Chapter Academic Excellence Award, Scholastic Achievement Award, Academic Programming Award, Alumnae Outreach Award, Campus/Greek Involvement Award, Public Relations Award, Risk Management Award, Overall Sports Award, Edna A. Gainer Service Commitment Award, and Panhellenic Award. Our sister Katelin Getz received the Order of Omega Thomas J.

Vukovich Award and was recognized for her commitment to Greek life as winner of the Greek Women of the Year Award! Our sister Elissa Ras was the winner of the Order of Omega Scholarship. We are so proud of our sisters for working so hard and achieving so much this year! Alpha Delta Pi held a few events to raise money for Relay for Life, which we participated in on April 20th and 21st. These events included our Lion Share Bowling Challenge and a dinner event at the Barley House. Thank you to everyone who participated! Our Black Diamond Formal was held on April 27th. We look forward to Songfest, which is being held on April 29th. Alpha Delta Pi congratulates all of the seniors! Good luck! Early in the fall you can look forward to our Lion Share Challenge, Pi-Teching, which benefits the Ronald McDonald House. We are very excited for the rest of this semester, and even more excited to see what next year will bring!

## PHI GAMMA DELTA

It has been a busy semester for the men of Phi Gamma Delta. We have been busy focusing on service, intramurals, scholarship, campus involvement, and soon to be recruitment. We have had plenty of exciting events so far this semester and are looking forward to having many more.

One of the major highlights of this semester was being able to go and watch Morgan Spurlock, who was a Phi Gamma Delta at NYU, give a lecture at E.J. Thomas hall about his experiences in filmmaking. After his lecture we all got to meet Mr. Spurlock and he even took time to take a picture with
