

ALPHA SIGMA PHI

Once again, the gentlemen of Alpha Sigma Phi are having a fantastic semester! For the fall 2007 semester alone, we had outstanding 57% percent of our Brothers make the Dean's List. This past February 3rd also marked the official first big year for the Epsilon Sigma chapter here at The University of Akron.

ALPHA DELTA PI

The women of Alpha Delta Pi would like to thank everyone who participated in our brand new Philanthropy event called PiHop which took place at the end of December. For this event, we made and delivered pancake and sausage breakfasts to the various chapter houses around campus and all of the money raised went to the Ronald McDonald House. It was very successful and we greatly appreciate everyone who supported us! At the end of Christmas Break, we held our Officer Transition Workshop at Steinway Hall. Sisters were able to enjoy breakfast and lunch together while listening to speakers and learning about the responsibilities of their new office. After a month off of school, we were all very excited to be back in Akron for the start of a new semester. During the second week of classes, we enjoyed a visit from one of our Leadership Consultants and at the beginning of February, we volunteered at the Akron Rotary Club Chili Open Golf Tournament with the men of Phi Gamma Delta. We have also been very busy with our Spring Recruitment events and are so excited that we just welcomed five new sisters in to our chapter! We hope everyone has a great semester and look forward to many exciting events to come!

DELTA GAMMA

After a relaxing winter break the women of Delta Gamma are rejuvenated and ready for another exciting semester at The University of Akron! Informal recruitment events have filled the last week of January and early February, providing our chapter with the opportunity to promote our organization and grow as a chapter. Members Kelli Fetter and Heather Spencer organized the events, and they have done a wonderful job in publicizing and planning activities for the Spring recruitment period. We have a wonderful new member class, and we are excited and supportive as they embark on their journey as a New Members. Social Chair Nikki Ames is ardently working to prepare our first Spring Semi-Formal, which will be a lovely evening of dessert and dancing to be held at the Student Union. We are looking forward to our major annual philanthropic event this Spring, Anchor Splash. The event provides the chapter with a wonderful opportunity to work with the Greek Community to raise money for the Delta Gamma Foundation and Service for Sight, which benefits the blind. We have begun to organize teams, and we are striving to increase the participation among the Greek life community for the event as well as to strengthen our fundraising capabilities.

PANHELLENIC COUNCIL

The Panhellenic Council would like to congratulate and welcome all of the new members of the Panhellenic community! International Badge Day, an annual event during which sorority women everywhere honor their Greek affiliations by wearing their badge or letters, will be held on Monday, March 3. Also on March 3, the Panhellenic Council is sponsoring a sisterhood event, making Easter baskets for children at Akron Children's Hospital. We look forward to seeing you there!

ALPHA KAPPA ALPHA

The women of the Delta Pi Chapter of Alpha Kappa Alpha Sorority Incorporated are excited to be back on campus on this, our centennial year! Here are some highlights of what we have in store for our campus this semester:

We will be having Skee Week April 14-20. This week is a week that has been carefully planned to include fun and service as well as tradition and history. We are also encouraging academic excellence by having study tables every fourth Thursday of the month. In May we are planning a nontraditional Mother's Day celebration, honoring women who have raised other's children as their own. Other events include, Mirror Talk, Mr. AKA and much more. So keep your eyes and ears open for the women of the Alpha Kappa Alpha, Delta Pi Chapter, as we have plenty in store for everyone. Thank you to all who came out to support the academic progression of our youth on Feb 4th-7th. The Alpha Kappa Alpha Sorority, Inc./Alpha Phi Alpha Fraternity Inc. Book Drive was a success and we are now able to donate a significant amount of books to the children of our community.

As we look forward to a new year we have members looking forward to a new future. Congratulations to the members of Delta Pi chapter who graduated in December 2007. Those members are: Roxanne Witherspoon, and April Parms-Elloie. We are proud of you and wish you the best life has to offer in all of your future endeavors. We are also excited about other changes in the structural makeup of our chapter and welcome with open arms our new Graduate Advisor, Joyce Rowland, and our new Assistant Graduate Advisor, Mary Lane Wright. Thank you for stepping up and offering your guidance for this 2008 school year!

SIGMA ALPHA EPSILON

The proud men of Sigma Alpha Epsilon are on a current progressive slope. Growing greatly in numbers after every wonderful semester this campus provides us. We recently added 10 new members to our fine brotherhood and are thankful for each and every True Gentleman we initiate. Living by our motto we worked intensely to create a strong unified brotherhood of life-long friendships. This upcoming spring semester we look forward to participating in other Greek fellowships philanthropic events as well as welcoming everyone to our Paddy Murphy Week. Also our great brothers are working to put together a poker night fundraiser as well as a public speaker. We will continue to strive to be the best men we can be and above all else True Gentlemen.

PHI KAPPA TAU

Earlier this semester, our alumni hosted a reverse raffle and raised nearly \$2200 for their Graduate Council. On February 16th we celebrated the 70th anniversary of our Alpha Phi chapter here at the U of A. Also on that same day four of our active members attended a regional Leadership Conference at Baldwin-Wallace. We are starting to prepare for our third annual volleyball tournament. This year we plan to have a variety of events, including a beach blanket contest, leading up to the tournament on April 26th. Things have been rolling right along this semester. We look forward to participating in the events held by the other chapters here at The University of Akron this semester.
