

College of Applied Science and Technology
Cyber Disaster Management
 Certificate (C)

The following information has official approval of The University of Akron's College of Applied Science and Technology but is intended only as a guide. Completion of this certificate is contingent upon many factors, including but not limited to class availability, total number of required credits, work schedule, finances, family, course drops/withdrawals, successfully passing courses, and prerequisites, among others.

The following courses constitute a "Certificate in Cyber Disaster Management" and must be completed with a minimum grade point average of 2.0 over-all for the certificate to be noted on the student's record. The granting of this certificate does not require completion of a degree.
