Student Nurse Association Networking Event

On Thursday September 25th the Student Nurse Association (student organization) sponsored a networking event at the Student Union. Thanks go to UA's Career Services for their support.

The event included a panel of nursing recruiters, followed a networking period and best practices for nursing resumes, cover letters, and interviewing. 10 different hospitals were represented (including Akron Children's Hospital, Cleveland Clinic, Summa Health System, University Hospitals) and the hiring process for nurses was shared.
