Audiology Students Advocate for Hearing/Balance Treatments At Ohio Statehouse

Details: UA Student Academy of Audiology (SAA) members joined other SAA members from across the state to advocate for individuals with hearing and balance disorders and the profession of audiology. Students traveled to the Ohio Statehouse on Wednesday, February 12th to meet with legislators. Kyndell Belcher, Patricia Graziose and Jessica Marlowe spent time with Rep. Casey Weinstein (Hudson) about HB 243, "Let Ohio Hear." If passed, this legislation would make hearing aids more affordable for children with hearing loss and their families.
