School of Nursing Students Serve Homeless and Displaced Veterans

On September 10, 2019 Nursing of Community students participating in Stand Down for homeless or displaced veterans. The Summit County Stand Down event is sponsored by the local Firestone VFW, Post 3383 held annually to provide veterans with access to community resources and support services at no cost.

This was a collaborative partnership involving over 30 governmental and community agencies. Nursing students guided veterans through many resources and services to ensure those who served our county received health care, clothing, food and shelter before the winter months.
