Creating and following a budget can help you reduce financial stress and be more confident about reaching your financial goals. In this workshop, we’ll practice a 5-step plan for building and managing a budget. You’ll learn to balance wants and needs — a key element of any budget plan — and how to increase your savings and manage debt. We’ll also discuss using personal and meaningful goals to motivate yourself to stick with a budget and improve your financial situation.

**PNC WorkPlace Banking** is presenting this Financial Wellness Workshop series. PNC WorkPlace Banking can help improve your financial wellness with access to PNC products, tools, resources and financial specialists. The PNC WorkPlace Banking program also includes certain offers and rewards for employees on select financial products and services, and helps make banking easy and convenient through onsite sessions with a dedicated team of PNC WorkPlace Bankers.
