Frequently Asked Questions

1. **Who made the decision to eliminate my position?**

   College and department level supervisors, in consultation with University leadership, made position elimination decisions based on business and academic need.

2. **Can I appeal the decision?**

   Classified employees whose positions are eliminated have the right to appeal the action to the **State Personnel Board of Review**. Your appeal must be filed or postmarked within ten (10) calendar days after receipt of the notice of elimination letter.

3. **Is there a chance I could be brought back to my position if the outlook at UA improves?**

   Some bargaining unit positions have a recall provision. Please refer to your respective contract for more detailed information. [https://www.uakron.edu/hr/employee-labor-relations/](https://www.uakron.edu/hr/employee-labor-relations/)

   Non-bargaining positions have no recall provision: however, you are not prohibited from applying to future job postings at the University.

4. **Can I keep my University email address?**

   If you retire from the University, you can keep a University email address.

5. **When will my University provided health benefits end and do I qualify for COBRA?**

   Your University provided health benefits will end as of your last day of employment. Both Ohio and federal law provide for insurance continuation after separation. Individuals may continue medical, dental, and vision insurance as well as Flexible Spending Accounts up to eighteen (18) months by enrolling in COBRA continuation of coverage. You will be required to pay monthly premiums to continue this coverage. Enrollment information will be mailed to the home address on file with UA from the University’s COBRA vendor, **Chard Snyder**. The election must be completed within sixty (60) days from the date of separation from the University. If you have additional questions, please contact Benefits Administration at ext. 7090 or Benefits@uakron.edu.

6. **Can I withdraw unused funds from my Flexible Spending Account (FSA)?**

   Funds in your FSA, administered by **Chard Snyder**, may only be used to reimburse eligible expenses (which are those expenses received/incurred through an employee’s last day of employment). Reimbursement requests for eligible expenses must be made within ninety (90) days of separation. Any funds remaining in the account after the plan deadline must be forfeited, as required by IRS guidelines. If you elect coverage with a COBRA election, you may be eligible to continue participating in the FSA program.

7. **Am I able to retire from my position?**

   If you want to explore retirement as an option, you should contact UA’s Office of Benefits Administration at ext. 7090 or Benefits@uakron.edu for more information. You should also consult with the applicable retirement system (i.e. SERS, STRS, OPERS) to which you contribute. If you selected an Alternate Retirement Plan (ARP) you may be vested in some or all of your
contributions. For more information regarding an ARP, please contact your provider directly.

8. What will happen with my benefits, such as accrued vacation leave or sick leave?

You will be paid out your accrued, unused, vacation leave upon separation, in accordance with the appropriate University Rule for your classification or AAUP bargaining unit separation agreements pending contract ratification.

• Hourly non-exempt employees shall be paid for accrued but unused vacation hours up to a maximum of that earned in three (3) years upon separation. University Rule 3359-26-04 Hourly non-exempt employees will be paid for any accrued compensatory time (i.e. “comp time”) at the time of separation.

• Salaried exempt employees shall be paid for accrued but unused vacation hours upon separation, subject to the maximum of one hundred seventy-six (176) hours for twelve (12)-month employees, one hundred sixty-one (161) hours for eleven (11)-month employees, and one hundred forty-six (146) hours for ten (10)-month employees. University Rule 3359-11-03

• Sick leave is only paid out at retirement subject to service requirements and maximums specified in University rules. University Rule 3359-11-01 If you retire, you would be paid one-fourth of your accrued sick leave upon separation up to a maximum of two hundred and forty (240) hours. Additionally, if you secure alternate employment with another state employer, you may be eligible to transfer your accrued but unused sick leave to that employer.

After the Clearance Process has been satisfactorily completed, the final payouts for leave time will be processed. For monthly employees, this is typically thirty (30) days or the month following separation.

You should contact the University’s Office of Benefits Administration at ext. 7090 or Benefits@uakron.edu if you have specific questions regarding these benefits.

9. Will my special educational privileges benefit, commonly referred to as tuition fee remission, continue and, if so, for how long?

Yes. In accordance with Board of Trustees Resolution 7-6-20, if you, and/or your dependents, are currently enrolled at The University of Akron actively pursuing a degree, you and/or your dependents will be able to continue receiving the special educational privileges through the reduction of fees granted to qualified employees and their dependents for a period of time not to exceed four (4) years to enable you and/or your dependents to complete the degree program in which you and/or they are currently enrolled, so long as there is no break in attendance and the student meets the applicable eligibility requirements. If you or your dependents are not currently enrolled, then the fee remission benefit will be extended for one (1) year from the date of your notice.

Faculty who are members of the AAUP bargaining unit may have a separate remission benefit for those whose positions have been eliminated pending contract ratification.
10. Am I eligible for unemployment?

Unemployment benefits are determined by the Ohio Department of Job and Family Services. You may file an unemployment claim by calling the Ohio Department of Job and Family Services (ODJFS) Toll Free number 1-877-644-6562 or by registering for unemployment benefits online at https://unemploymenthelp.ohio.gov/. Hearing impaired individuals may use the TTY Service Dial Toll Free number: 1-888-642-8203.

For expedited processing of unemployment claims, a mass layoff number will be provided to affected employees as soon as possible.
