

HELLO!

Welcome to The University of Akron (UA), where students from all over the world choose to study to learn from expert faculty and gain valuable real-world experiences while being surrounded by a vibrant and supportive student life.

Whether you're pursuing an undergraduate or graduate degree, UA's globally and nationally recognized strengths in academic programs and industry partnerships all lead to excellent career outcomes.

WHAT MAKES US GREAT

- **Ranked #1 in the U.S.** for polymer science and plastics engineering, according to *EduRank*
- College of Business is in the **1% of schools worldwide** offering business degrees that are doubly accredited in business and accounting
- **Top 10 best colleges** and universities in Ohio (academicinfluence.com)
- **Thirty-five current UA faculty members** named among world's top 2% of scientists
- Carnegie Institute research classification
- Home to one of the **first engineering co-op programs in the country**
- Established **50+ centers and institutes**, several nationally known, including the Bliss Institute for Applied Politics, the Cummings Center for the History of Psychology, the Fisher Institute for Professional Selling and many more.
- **300+ student organizations** with opportunities for experiential learning, skills development and exploring your hobbies
- Founded in 1870 as Buchtel College

Undergraduate	\$21,585	\$14,645	\$2,559	\$38,789
Graduate – Fall and Spring	\$16,828	\$14,645	\$2,559	\$34,032
English Language Institute	\$10,750	\$14,645	\$2,559	\$27,954

Undergraduates are considered automatically for merit scholarships up to \$5,000 per year. Graduate applicants can apply for assistantships after they have been admitted to The University of Akron.

DEGREE PROGRAMS

Buchtel College of Arts & Sciences

Bachelor's Degrees

Actuarial Science*
Art Education
Art Studio
Biochemistry*
Biology*
Biomedical Science*
Ceramics
Chemistry*
Communication Studies
Composition
Criminal Intelligence Analysis
Criminal Justice Studies
Criminology and Criminal Justice
Cyber Forensics*
Dance
Data Science*
Earth Science (geoscience)*
English
Environmental Science (geoscience)*
Geology*
Global Studies
Graphic Design
History
Human Resource Management
Humanities
Intelligence and National Security Studies
Intervention Specialist
Jazz
Jewelry and Metalsmithing
Media Studies
Middle Level Education
Multi-Age (PK-12)
Multidisciplinary Studies
Music
Music Education
Music Performance
Organizational Supervision

Painting and Drawing
Philosophy
Photography
Political Science
Primary Inclusive Teacher Preparation
Printmaking
Psychology
Public Relations
Sculpture
Secondary Education (Adolescent to Young Adult)
Sociology
Spanish
Statistics*

Graduate Degrees

Adult Development and Aging Psychology, PH.D.
Applied History and Public Humanities, M.A.
Applied Politics, M.A.P.
Arts Administration, M.A.
Biology, M.S.*
Chemistry, M.S.*
Chemistry, PH.D.*
Counseling Psychology, PH.D.*
Creative Writing, M.F.A.
English, M.A.
Geology, M.S.*
I/O Psychology, M.A.*
I/O Psychology, PH.D.*
Integrated Bioscience, PH.D.*
Music, M.M.
Political Science, M.A.
Statistics, M.S.*

College of Business

Bachelor's Degrees

Accounting
Business Administration
Business Data Analytics*
Economics

Financial Management
Financial Planning
Information Systems*
International Business
Marketing
Risk Management and Insurance
Sales Management
Sport Analytics*
Sport Business
Supply Chain/Operations Management

Graduate Degrees

Accountancy, M.S.A*
Business Administration, M.B.A.
Economics, M.S.*
Management*
Taxation, M.Tax*

College of Engineering & Polymer Science

Bachelor's Degrees

Applied Mathematics*
Biomedical Engineering*
Chemical Engineering*
Civil Engineering*
Computer Engineering*
Computer Information Systems*
Computer Science*
Construction Engineering Technology*
Electrical Engineering*
Mechanical Engineering*
Polymer Science and Polymer Engineering*

Graduate Degrees

Applied Mathematics, M.S.*
Biomedical Engineering, M.S.*
Biomedical Engineering, PH.D.*
Chemical Engineering, M.S.*
Chemical Engineering, PH.D.**
Civil Engineering, M.S.*
Civil Engineering, PH.D.**

Computer Science, M.S.*
Electrical & Computer Engineering, M.S.*
Electrical Engineering, PH.D.**
Engineering, M.S.*
Mechanical Engineering, M.S.*
Mechanical Engineering, PH.D.**
Polymer Engineering, M.S.*
Polymer Engineering, PH.D.*
Polymer Science and Polymer Engineering, M.S.*
Polymer Science, M.S.*
Polymer Science, PH.D.*

College of Health & Human Sciences

Bachelor's Degrees

Child and Family Development
Cyber Forensics*
Emergency Management and Homeland Security
Exercise Science
Food and Environmental Nutrition
Nursing
Respiratory Therapy
Social Work
Speech-Language Pathology and Audiology
Sport Studies Coaching Education

Graduate Degrees

Audiology, A.U.D.
Child and Family Development, M.A.
Clinical Mental Health Counseling, M.A.
Exercise Physiology, M.S.*
Marriage and Family Therapy, M.A.
School Counseling, M.A.
Speech-Language Pathology, M.A.
Sport Science/Coaching, M.S.

NOTE: Due to immigration compliance concerns, an international student cannot currently study for a certificate as a stand-alone program of study. You can, however, take a certificate program alongside an approved academic major.

* STEM-designated degree that qualifies for the 24-month STEM optional practical training extension
