STUDENTS SAY OUR STRENGTHS ARE:

PRESTIGE — Many of our programs, such as those in our College of Engineering and Polymer Science and College of Business, are recognized as national and global leaders.

COMMUNITY — UA is a “home away from home” that opens the door to new relationships.

EXPERTISE — Students learn from expert faculty who earn millions in research funding, work on space equipment and more.

SUPPORT — Students are constantly feeling encouraged by their peers and professors.

LEARNING ENVIRONMENTS — Small faculty-to-student ratios, especially in lab settings, result in better learning outcomes.

LIMITLESS OPPORTUNITIES — Through academics and student life, you’ll explore your passions, and discover new ones, while accomplishing your goals.

89%

of Zips complete at least one experiential learning, including internships, co-ops, undergraduate research and study abroad

30,500

employers recruit our Zips

94%

of graduates are employed, participating in volunteer services, serving in the U.S. Armed Forces or continuing their education within six months of graduation

CAREER OUTCOMES

Under the guidance of our passionate and dedicated faculty and staff, we’ll help you reach your career goals. From experiential learning to mock interviews, connections to co-ops, internships and clinicals, you’ll be supported every step of the way.
