Notes:

1. In the PeopleSoft System, students may be classified in multiple academic careers.

   In the unduplicated UA Total Enrollment table, a student is counted only once in the primary higher level career.

2. Locations have been added to the UA Total Enrollment by Location table.

   Students enrolled at multiple locations are counted once for each location by the primary higher level career.

3. In the Student Credit Hours by College of Course Offering table, SCHs are on the Campus and College of Course Offering.

   If Campus is Wayne, SCHs are accounted for under Wayne College.

4. Locations have been added to the Student Credit Hours by Location of Course Offering table.

5. Fall 2016 Census reflects enrollment through the census date of the semester.

   Departments which have moved from one college to another after Census are adjusted for comparison reporting purposes.

   Adjustments are reflected on Student Credit Hours by College of Course Offering table. Overall UA total for Headcount and SCHs remain unchanged.
