Notes:

- In the PeopleSoft System, students may be classified in multiple academic careers.  
UA Total Enrollment table - a student is counted only once in the primary higher level career.
- UA Total Enrollment by Location table - students enrolled at multiple locations are counted once for each location by the primary higher level career.
- Student Credit Hours by College of Course Offering table - SCHs are on the Campus and College of Course Offering.  
If Campus is Wayne, SCHs are accounted for under Wayne College.
- Fall 2019 Census reflects enrollment through the census date of the semester.  
Departments which have moved from one college to another after Census are adjusted for comparison reporting purposes.  
Adjustments are reflected on Student Credit Hours by College of Course Offering table. Overall UA total for Headcount and SCHs remain unchanged.
- Totals for CCP/ECHS are adjusted for the final calculation of total continuing students to account for only "new" students. Overall totals of CCP/ECHS are presented on row 21 for planning purposes.
- Total new CCP/ECHS for Fall 2019 was 1463 and 1474 or Fall 2020.
