You can create and view video recordings using your iPhone or Android device using the Panopto app.

1. Install the Panopto app from Apple’s App Store or Google Play.

2. Launch the Panopto app.

3. Select the icon with three horizontal lines.

4. Select Sign in.

5. Select Change site.

6. Enter `uakron.hosted.panopto.com` and then select Done.

5. Select the Panopto icon.

6. Select the SAML option at the bottom of the screen and then select Done.

7. Select Sign in.

8. Enter your UAnet ID and password and select Login.
