

## **Class of 2011 Summary Report**

This Class of 2011 Summary Report is prepared by the National Association for Legal Career Professionals (NALP) based on the employment statistics reported to the Akron Law Career Planning & Placement Office by members of the Class of 2011. The employment type and salary information are all self-reported to our office by our graduates. Every ABA-approved law school is required to provide this information to NALP and the attached is a standard reporting document that every law school receives from NALP. For further information on law school employment and salary reporting, please go to the NALP Research and Statistics webpage at <http://www.nalp.org/research>. As this summary report shows, 105 of the 116 members of the Class of 2011 (90.5%) reported being employed nine months after graduation.

If you have any further questions or would like to speak to a member of our Career Planning & Placement Office staff, please e-mail us at [lawcareerplanning@uakron.edu](mailto:lawcareerplanning@uakron.edu).
