#### Footnotes:

- a. "Public Property" statistics include police reports taken by the City of Akron, the City of Orrville and the Medina County Sheriff for public properties adjacent to the University Akron and Wayne campuses and the Medina County University Center. Every effort has been made to comply with the definitions contained in the statutes, regulations and Handbook for Campus Crime Reporting; however Public Property statistics provided by municipalities are not independently verified by the University, and may include reports of crimes that occurred in private residences, businesses or Non-Campus locations.

This definition is reflective of reporting year 2014 (and going forward.)

- if the offender substantially impairs the victim's judgment or control by administering any drug, intoxicant or controlled substance to the other person surreptitiously or by force, threat of force or deception;
- if the victim's ability to apprise the nature of or control their own conduct is substantially impaired;
- if the victim is coerced;
- if the offender uses force or threat of force;
- if the victim is unaware the act is being committed (e.g. unconscious); or
- if the victim's ability to consent is substantially impaired because of a mental or physical condition or because of advanced age.

\*This is a non-exhaustive list and does not constitute legal advice. Individuals should consult with law enforcement and prosecutors for advice.

**Dating Violence:** means violence committed by a person:

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- where the existence of the relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of the relationship; and the frequency of interaction between the persons involved in the relationship. (42 U.S.C. 13925(a)).

Dating violence includes, but is not limited to sexual or physical abuse or threat of such abuse.

Dating violence does not include acts covered under the definition of Domestic Violence.

- a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies; or
- any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. (42 U.S.C. 13925(a)).
