

Finding Calipso Instructional Videos

1. Log-in to Calipso using your ASHA number and password you created
2. Click on “student information”

3. A list of students should appear; if your student doesn't appear immediately, then you may need to change the cohort year to reflect the cohort your student is in and hit the “Change” button.

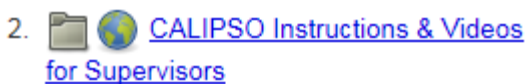

You may also need to add your student as a “student of interest”. Find their name in the dropdown next to “Add Student of Interest” and then click “Add”.

4. Next to your student's name, select the “clinical placement” option

5. Select “Calipso Instructions and Videos for Supervisors”

6. Instructional Videos for various supervisor actions will appear. Select the videos you wish to view.
