9:00 AM CALL TO ORDER

DISCUSSION
1. Kris Kraft called the meeting to order at 9:05 a.m.
2. Since a quorum was not present, minutes from the April 10 meeting could not be approved. All agenda items except for Food Insecurity Survey were deferred to the next UC Rec & Wellness committee meeting.

FOOD INSECURITY SURVEY

KRS KRAFT

Dr. Tim McCarragher, Associate Professor in Social Work, and Wayne Hill, Vice President and Chief Communications and Marketing Officer, met with the Committee to review and discuss draft results of the food insecurity survey. The response rate was low. 2.46% of total UA students responded to the survey. However, some comparative analysis can and will be done to gain a better understanding of student demographics as related to assistance needs and access to resources. Focus will be directed to the following concerns:

1. Food running out worries
2. Skipping meals
3. Not eating for a day
4. Students needing help
5. Awareness of resources

Additionally,
  6. Results from questions used in the food insecurity survey that were taken from the Nutrition and Dietetics FURVED Survey will be compared to the results for those same questions in the FURVED Survey.

Next meeting: July 10, 2018, 1:30 p.m., Rec Center Conference Room.

DISCUSSION ENDED AT 9:55 A.M. AND THE MEETING ADJOURNED BY UNANIMOUS CONSENT.
