Office of Accessibility
Student Handbook
Law Students

Welcome
The Office of Accessibility (OA) would like to welcome you to our office and to The University of Akron! Our goal is to provide students with disabilities equal access opportunities and programs geared for academic success. Please use this handbook as a guide for accessing accommodations and services through the Office of Accessibility. Please do not hesitate to contact us if you have questions or concerns regarding accessing accommodations.

General Office Information

Our Mission
The mission of the Office of Accessibility at The University of Akron is to provide students with full access to and the opportunity for full participation in the academic environment. We are advocates of social justice for students with disabilities and work to end oppression by examining the social, cultural, and institutional barriers to inclusion of all students. We embrace the diversity of our student body and celebrate a culturally sensitive and accessible campus through outreach, partnership, and advocacy with all university departments.

Relevant Federal Laws
In addition to the mission of the Office of Accessibility, the following two directives from federal laws guide the efforts at this office and The University of Akron to provide an accessible experience in higher education. The Rehabilitation Act of 1973 prohibits discrimination on the basis of disability in federally funded programs and activities. The Americans with Disabilities Act (ADA) of 1990 is a civil rights law that prohibits discrimination against individuals with disabilities in the areas of employment, state and local government, public accommodations and services, transportation, and telecommunications.

College students with disabilities are covered in Title II of the ADA. Students often experience a transition from the provisions of the Individual with Disabilities Education Act (IDEA) that guided their services in high school and the federal guidelines of the Rehab Act of 1973 and ADA that are relevant in higher education.

Pursuant to the Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act (ADA) of 1990, The University of Akron does not discriminate against any student, because of a disability and does not exclude any qualified student with a disability from participation in or from receiving the benefits of the services, program, or activities of the University.

Maintenance and Disclosure of Records of Disability

Policy for Maintenance and Disclosure of Student Records Related to Disability
The Office of Accessibility maintains records of a student’s disability according to the guidelines of the Family Educational Rights and Privacy Act (FERPA). These records are maintained in the Office of Accessibility, separately from the student’s academic records, which are maintained elsewhere in the institution (Registrar and/or appropriate academic unit). Records received by the Office of Accessibility that appear to contain information unrelated to the determination and provision of academic accommodations, auxiliary aids and services will be returned to the provider. Information retained by the Office of Accessibility will be only that which is determined to be related to the disability and provision of academic accommodations.

Procedure to Request Release or Review of Student Records Related to Disability
The student should request the release or review of the specific information by filling out the Office of Accessibility “Request for Release or Review of Information” form. The student may need to schedule an appointment to meet with the appropriate Disability Specialist to release or review the requested information.
COVID-19 Related Office Information

As the situation surrounding COVID-19 continues to evolve, the health and well-being of our campus community is a matter of great importance. Our top priority continues to be supporting students registered in The Office of Accessibility and the entire University of Akron community through the delivery of services and accommodations. In order to ensure this priority is met, while still maintaining the health and well-being of our students, faculty, and staff, The Office of Accessibility continues to conduct appointments remotely via phone and video services during normal business hours.

Additionally, limited staff will be available in the office beginning in August. As we return to campus, current students already registered with the Office of Accessibility, should log into STARS and their University email for frequent updates and critical communication from our office related to accommodations and services. Additionally, students should connect with their assigned Disability Specialist to help navigate current accommodation plans and to address any related concerns.

Students should email the Office of Accessibility at access@uakron.edu or their Disability Specialist directly with questions or to schedule virtual appointments.

Before visiting the Office of Accessibility, we recommend you read through our guide to help prepare for your visit at https://www.uakron.edu/access/planning. Students are encouraged to check in before entering the OA’s lobby using I Am Here. When you arrive at Simmons Hall, use the I Am Here form on the Planning Your Visit to the Office of Accessibility Page to let our staff know you have arrived. You will receive a text message when we are ready for you to enter the lobby.

We look forward to continuing to support our campus community and ensuring that our students receive the same exemplary service they have come to expect from our office.
Accessing Accommodations

How to Register with the Office of Accessibility … Easy as 1, 2, 3!!

1. Get Started at The University of Akron
   - Applying for admission to The University of Akron and applying for services with the Office of Accessibility are two different processes.
   - Students need to apply, be accepted, and enroll in classes before attending an intake appointment.
   - Students can register with the Office of Accessibility at any point while enrolled at The University of Akron.

2. Submit New Student Application and documentation
   - The Office of Accessibility recommends submitting the New Student Application and documentation 3 months prior to enrollment.
   - Complete the New Student Application to register with the Office of Accessibility. The new student application is a brief online questionnaire designed for students to describe the impacts of a disability. STARS is the online system that allows students to quickly and easily request and notify faculty of approved accommodations.
   - After completing the new student application, students should upload current, disability-related documentation of a disability(ies) completed by a qualified professional. The Office of Accessibility has specific guidelines available or in Simmons Hall 105. The Office of Accessibility will not accept disability-related documentation from treatment professionals who are related, in any way, to the student requesting services.

3. Schedule an intake appointment
   - Once a new student application has been reviewed, including complete documentation, an Office of Accessibility staff member will follow-up to schedule an intake appointment. If any information in the application is incomplete, a staff member will contact the student to address what is needed.
   - During the intake appointment, you will discuss:
     1. Eligible services based upon documentation and disability-related needs.
     2. Training on our online accommodation request system (STARS).
     3. Any other questions/concerns about The University of Akron, our office, and preparation for attending college.
   - You are welcome to bring a support person (parent/guardian, spouse, case manager) to the intake.
   - The appointment will last approximately 1 ½ hours.

4. Submit Additional Documentation
   - Students have the ability to submit additional documentation through the Additional Documentation form within STARS. Students should utilize this form when needing to submit additional documentation. Students may consider submitting additional documentation for many different reasons. These reasons may include, but are not limited to:
     o Sustained a Temporary Medical Condition (broken bone, concussion, unexpected hospitalization);
     o An exacerbation of current disability related symptoms;
     o Additional disability diagnosis;
     o Submitting documentation for the review of Provisional status;
     o Requesting the review of current documentation on file for eligibility of a new accommodation.
• Students should upload current, disability-related documentation of their disability(ies) to STARS completed by a qualified professional. The Office of Accessibility has specific guidelines available on our website or in Simmons Hall 105. The Office of Accessibility will not accept disability-related documentation from treatment professionals who are related, in any way, to the student requesting services.
• Students are encouraged to contact their Disability Specialist with questions or to discuss the process of submitting additional documentation.

What are Accommodations?
An accommodation is a support that is put in place for a course, program, service, job, activity, or facility that is designed to eliminate or minimize disability-related barriers. There are many ways to accommodate a situation or activity. Accommodations vary based on individual circumstances and disability-related documentation.

In order for an accommodation to be considered, it must not:
• Compromise the essential requirements of a course, program, job, activity, or facility.
• Cause an undue administrative or financial hardship.
• Compromise safety to you or others.
• Fundamentally alter a course or program.

How to Request Accommodations

Students must follow these steps EACH SEMESTER if they wish to utilize accommodations!

• Schedule your classes
  • It is important to organize your schedule in a way that works best for you! Consider the following before meeting with your advisor:
    ✅ Check MyAkron for your registration dates so that you can schedule your classes as soon as they are open to you.
    ✅ Should you schedule breaks between classes? This is especially helpful if extended time on testing is one of your accommodations.
    ✅ When do you function your best? You may want to schedule classes at a certain time of day due to medication or other reasons.
    ✅ Should you limit the number of “heavy” reading, math-related, or writing-intensive courses that you take at the same time? Try to balance your schedule so that it works best for you.
    ✅ How important is the specific location of each of your classes?
    ✅ Is it best for you to take a full or part-time course load?

• Be Aware of Deadlines for Accommodation Requests
  • Some accommodations have deadlines in order to have sufficient time to coordinate services. Deadlines are located at www.uakron.edu/access.
  • Please request accommodations as soon as possible to avoid deadlines.
  • If a deadline is missed, services will NOT be denied. However, they may take significantly longer to implement.

• Request Accommodations through STARS
  • Students must request accommodations if they intend to use the accommodations in class.
  • Log in to the Student Testing and Accommodation Request System (STARS) website https://andes.accessiblelearning.com/Akron
  • Select the courses that you would like accommodations for and click “Step 2- Continue to Customize Your Accommodations.”
  • Mark the specific accommodations that you need for each class.
• Check the box if you would like your accommodation letters to be emailed to your professors. If you do not check the box, the letters will not be emailed to your professors.

• **IMPORTANT**- If you change your schedule, it is your responsibility to update your accommodation request in STARS. We are unable to process requests for added classes or schedule changes unless the accommodation request is updated.

• *Forget how to request your accommodations through STARS? We can help you!*
  ✓ Watch the “How to Request Accommodation Letters” tutorial at [www.uakron.edu/access](http://www.uakron.edu/access).
  ✓ Come to the OA during office hours and a staff member will assist you.
  ✓ Schedule a meeting with your Disability Specialist for assistance.

• **Accommodation Letters are Emailed to Law School Administrators**
  • Accommodation letters are the formal description of the services and accommodations students will receive through the Office of Accessibility.

  • One week before the start of the semester, letters are emailed to **Misty Franklin** who will work with the student to coordinate accommodations through the School of Law. Instructors do not receive the accommodation letter at this time.

  • Letters can be emailed to professors at any time, upon the student’s request.

---
• Schedule an Appointment with Law School Administrators to Coordinate Services
  • After registering with the Office of Accessibility, each student is required to meet with Law School administrators to review how accommodations will be implemented by the School of Law. Maintaining good communication with instructors, the School of Law, and the Office of Accessibility is key to making this a smooth process.

  Misty Franklin, Assistant Director of Student Affairs
  (330) 972-6456
  misty@uakron.edu

  *Ask your Disability Specialist if you would like assistance communicating with the Law School.

• Contact your Disability Specialist if You Have Questions
  • Call (330) 972-7928.
  • Email directly.
  • Stop into the Office of Accessibility during office hours.

**IMPORTANT:** Accommodations are NOT retroactive. This means that services and accommodations apply only from the point at which the student requests the accommodations and communicates the desire to use each of their approved accommodations.
Testing Procedures

All testing accommodations for Law students are coordinated, scheduled, and proctored by the School of Law. The following Law School administrator will work with you to coordinate testing services:

Misty Franklin, Assistant Director of Student Affairs  
(330) 972-6456  
misty@uakron.edu

Examples of Testing Accommodations

- **Extended time**- The specific amount of extended time depends on the impact of the disability and is determined by the student’s Disability Specialist.
- **Distraction reduced space**- Small, quiet rooms are available for testing; we are unable to guarantee isolated space.
- **Test proctors (reader and/or scribe)**- Readers may read and repeat test questions verbatim for student; Scribes write down answers to test questions verbatim as dictated by student.
- **Use of technology on tests**- Includes computers, CCTV, adaptive software, etc. depending on students’ disability-related needs. Students are not able to use their own personal devices when testing.

Guidelines for Utilizing Testing Accommodations

- Students should request exam accommodations utilizing the The University of Akron, School of Law, Special Exam Accommodations form, located at:  
  http://uakron.edu/law/docs/Special%20Accommodation%20FORM.pdf.
- Students should request exam accommodations by the deadline indicated by the School of Law. The School of Law will make a good faith effort to fulfill requests submitted after this deadline, but it cannot be guaranteed.
- Students who request exam accommodations will receive an email outlining the details of each exam, including date, time, and exam location. Students should be aware that they may be assigned to a testing room with other students receiving testing arrangements, including those who may be enrolled in the same course section.
- If a change of testing date or time is needed due to the student’s disability, the student must consult with his/her Disability Specialist and the School of Law to determine if the request is reasonable.
- Students are expected to begin their exams on the date and time indicated by the School of Law, which may differ from the start time indicated for non-accommodated exams. All tests in one room will begin at the same time; however, students will be free to leave once they have completed their exam. For evening and weekend exams, if extra time is included in a student’s accommodations, the accommodated student will generally be asked to begin the exam before the scheduled start time.
- Students who require distraction-reduced space will be given a place to complete their exams that is distraction-reduced; isolated space cannot be guaranteed.

Please note: Some students may need to test in the Office of Accessibility. The Office of Accessibility is committed to maintaining the highest academic standards possible in the office testing environment. In order to meet this goal, we utilize a closed-circuit video system to monitor tests. If a student utilizes any unauthorized resources during a test, the Office of Accessibility will report the situation to the course instructor and Student Judicial Affairs.
Accommodations for the Bar Examination
Each state controls its own accommodation for the bar exam. Law students with disabilities who believe they will require accommodations in taking the bar examination should inquire early in their legal education as to what will be necessary to obtain accommodations. Students should contact each state in which they intend to take the bar exam to learn that state’s process and to access necessary forms. Only the state administering the bar exam knows its own requirements and process; the School of Law does not have this information provided by each state.

Many state boards of bar examiners will request that the Law School provide information on accommodations provided during law school upon a written release from the student. However, please note that receiving accommodations in Law School does not guarantee accommodations on the bar examination.

Students who will be requesting academic accommodations for the bar exam should contact Brian Fuller or Mary Cooke at the School of Law, who can assist with seeking information from various state bar authorities.

Externship, Clinical Experiences, Internship, and Co-op Accommodations
Internship and/or co-op experiences are often very different than a typical classroom format and frequently involve hands-on experiences. As a result, the type of academic accommodations that would be reasonable for these experiences will often be different than those that have been used in the classroom setting.

Guidelines for Students
• Meet with Associate Dean of Career Services and Strategic Initiatives Alisa Benedict O’Brien (ab139@uakron.edu) to understand what is needed to perform the functional requirements of the internship/Co-op experience (i.e. physical strength, visual acuity, attendance, etc.).
• After understanding what is needed to perform these requirements, meet with a Disability Specialist at least one month prior to the scheduled start date of the internship/co-op experience.
• A Disability Specialist will consult with the student, the department, and the on-site supervisor as needed to determine and implement any modifications to the student’s current accommodations.
• Accommodations are NOT retroactive.

Please Note: The priority of School of Law exams supersedes all out-of-classroom experiences.
Roles and Responsibilities in the Accommodation Process

**Office of Accessibility Responsibilities**
- Review and explain what documentation is needed to determine eligibility for services
- Determine your eligibility for individualized accommodations based on documentation
- Discuss with you how your disability may impact you at The University of Akron
- Maintain student files in a confidential manner
- Send letters to faculty members that detail your accommodations, per your request in STARS
- Make a reasonable, good faith effort to provide accommodations, aids, and services for eligible students in a timely manner

**Student Responsibilities**
- Register with the Office of Accessibility by providing necessary documentation
- Meet with your Disability Specialist to discuss your unique needs
- Submit accommodation requests through STARS each semester
- Speak to your professors about your accommodations and maintain necessary communication with instructors and the Office of Accessibility to coordinate services throughout the semester
- Be aware of out-of-classroom/hands-on learning experiences in your program and communicate with your Disability Specialist and professors to determine appropriate accommodations for those experiences
- Notify your Disability Specialist if additional accommodations should be considered
- Contact your Disability Specialist and/or professors if you have any questions/concerns

**Faculty Responsibilities**
- Understand accommodations recommended by the Office of Accessibility
- Collaborate with the student and/or the Office of Accessibility to coordinate accommodations
- Contact the Office of Accessibility if there are questions/concerns regarding accommodations
- Know the essential elements of a course or program
COVID-19 Related Accommodations

Studies have shown that a significant portion of people with coronavirus lack symptoms and that even those who eventually develop symptoms can transmit the virus to others before showing symptoms. This is why wearing a mask is an important safety step we can take to protect others. Because the virus can spread between people interacting in close proximity—speaking, coughing or sneezing—the Centers for Disease Control and Prevention (CDC), State guidance, and City of Akron Ordinance recommends wearing cloth face coverings where social distancing measures are difficult to maintain and it is required under University guidelines.

The Americans with Disabilities Act (ADA) protects individuals with disabilities from discrimination based on disability. The University may not discriminate against students who are qualified and are able to perform its essential functions, with or without accommodation. The ADA requires the University to make reasonable accommodations for students with disabilities. The ADA creates an exception for not providing accommodations which may pose a direct threat to others. A direct threat is defined as a significant risk of substantial harm to the health or safety of that student or others, which cannot be eliminated or reduced by a reasonable accommodation.

The University, in an attempt to accommodate students seeking an accommodation have created online classes to accommodate these needs. Due to the current progression of the COVID-19 Pandemic, the increase in state and local cases, and the University’s obligation to maintain the health and safety of the campus community, the exemption of wearing a face covering will generally be resolved by having a student enroll in online classes. Section 35.139 (a) of Title II of the Americans with Disabilities Act “…does not require a public entity to permit an individual to participate in or benefit from the services, programs, or activities of that public entity when that individual poses a direct threat to the health or safety of others.” Permitting students to attend classes without a mask may pose a direct threat to the health and safety of others.

Students with COVID-19 related accommodation requests should complete the registration process outlined at [https://www.uakron.edu/access/covid-19-accommodations](https://www.uakron.edu/access/covid-19-accommodations), and each case will be reviewed on a case by case basis to determine what accommodation is appropriate for the safety of the requester and students and faculty on campus. Students with disability related impacts that interfere with the mandatory masking policy, are encouraged to enroll in the online sections of courses (designated as “www site”), when possible. It is important students consult with their advisor in this process. Students may have to take a different course that ensures progress in their program of study in an online format. If the student has a lab or needs to take tests in person, an appropriate accommodation will be determined, that ensures everyone’s safety.
Additional Services from the Office of Accessibility

Academic Support Sessions
Our Disability Specialists are available to meet with you for Academic Support Sessions throughout each semester. We are here to help if you would like assistance with time management, organization, connecting to campus resources, accessing your accommodations, and communicating with your professors. Some students benefit from regular check-ins, while other students make appointments on an as-needed basis. Please do not hesitate to contact your Disability Specialist by phone or email at any time.

Campus Walk-Throughs
The Office of Accessibility staff is available to walk with you through campus to find your classrooms, determine accessible routes, and assess classroom furniture prior to the beginning of each semester. Campus walk-throughs are intended to help you feel prepared and confident at the onset of each semester.

Equipment
The Office of Accessibility has equipment that can be loaned from our office, including (but not limited to): Tape recorders, Assisted Listening Devices, Digital Recorders, and AlphaSmarts. Students may be asked to complete a Tape Recorder Agreement form when checking out a tape recorder. Your Disability Specialist may make recommendations for you to utilize a specific piece of equipment and will determine your eligibility.

For Your Success Emails and Office of Accessibility Newsletters
The Office of Accessibility periodically sends emails and newsletters to students registered with our office. These correspondences will be sent to your University of Akron email account, as email is the preferred method of communication at The University of Akron. We will inform you of deadlines, important dates, and helpful tips For Your Success!

Peer Assistance for Support and Success (PASS)
The mission of The Office of Accessibility’s Peer Assistance for Support and Success (PASS) program is for students with disabilities to get involved on campus, get connected with campus resources, feel supported, and learn invaluable skills and strategies to ensure, not only academic success, but lifelong success. The program promotes inclusivity through workshops and events each semester.

Quiet Study Areas
The Office of Accessibility has multiple quiet rooms that are available for student registered with our office to utilize during office hours. These rooms provide a quiet, distraction-reduced environment for students to study. Quiet study rooms may not be available during high volume testing times, including the weeks of midterms and finals. Please call (330) 972-7928 to make a reservation or stop in the Office of Accessibility to check the availability of a room.

Reader/Writer Hours
Reader and Writer hours are available by appointment. These hours may be limited based on availability and point in semester. Contact your Disability Specialist if you are interested in utilizing these services. A reader reads the directions, questions, and answer choices to a student. A reader does not interpret, re-word, or explain the assignment. A writer writes down, or otherwise records, student responses. The writer does not create answers for the student or help the student identify answers.
Supports for Temporary Medical Conditions
Temporary medical conditions, including injured limbs, surgeries, pregnancy, and short-term illnesses, may require temporary, short-term accommodations. While the University is not obligated to provide accommodations for students with temporary medical conditions, the Office of Accessibility attempts to accommodate students that may need temporary support accessing the physical campus and the educational curriculum. Please contact us if you have questions about a temporary medical condition.

Additional Services at The University of Akron

Additional Tutoring Supports
Although the Office of Accessibility does not directly provide tutoring for students, law students should contact the School of Law’s Office of Academic Success Programs for additional support.

Counseling & Testing Center
The OA frequently collaborates with the Counseling & Testing Center to provide wrap-around supports for students. The Counseling & Testing Center offers comprehensive psychological services to currently enrolled students. A culturally diverse staff of licensed psychologists and doctoral trainees provide psychological counseling for psychotherapy, career counseling, testing services, outreach and consultation to the University community currently conducted via teletherapy.

The Counseling & Testing Center is currently unable to provide Learning Disorder/ADHD Assessments for students due to COVID-19 health and safety precautions and social distancing requirements. Please call the Counseling Center at (330) 972-7082 to receive a community referral.

Recreation and Wellness Center
The University of Akron’s Recreation and Wellness Center provides equipment that is accessible to students. Please visit the Recreation and Wellness Center or call (330) 972-2348 for more information.

Residence Life and Housing Accommodations
Residence Life and Housing is committed to providing accessible on-campus living arrangements for students with disabilities. Documentation for requests for accommodations related to residence life should be submitted directly to the Office of Accessibility, preferably at the time the Housing Contract is submitted to University Residence Life and Housing. The Office of Accessibility will determine specific accommodations after consultation with Residence Life and Housing. Please contact the Office of Accessibility for more information about this process.
Dispute Resolution Procedures

Dispute Resolution Procedures for Eligibility for Services
If a student wants to appeal a decision regarding eligibility for services based on the Disability Specialist’s review of the documentation, the following procedure has been established.

1. Request an appointment to meet with the Disability Specialist who reviewed the documentation and made the original determination. If the concern cannot be resolved during this appointment, initiate Step 2.

2. Request an appointment to meet with the immediate supervisor of the Disability Specialist who reviewed the documentation originally. If after this meeting, the situation is not rectified to the student’s satisfaction, initiate Step 3.

3. Request an appointment with the Associate Vice President for Student Success or her/his designee. The Associate Vice President for Student Success (or designee) may consult other relevant professionals as needed to make the decision. After this meeting if the situation is not rectified to the student’s satisfaction, initiate Step 4.

4. Request an appointment to meet with the Provost. The decision of the Provost is final.

Dispute Resolution Procedures for Determination of Reasonable Accommodations
If a student wants to appeal a decision regarding the determination of reasonable accommodations for his/her documented disability, the following procedure has been established.

1. Request an appointment to meet with the Disability Specialist who reviewed the documentation and made the original determination. If the concern cannot be resolved during this appointment, initiate Step 2.

2. Request an appointment to meet with the immediate supervisor of the Disability Specialist. If, after this meeting the situation is not rectified to the student’s satisfaction, initiate Step 3.

3. Request a review by the Accommodations Review Committee of the accommodations determined by the Disability Specialist and the accommodations requested by the student. The Committee consists of the following people:
   - Disability Specialist who recommended the original accommodation(s)
   - Director of Office of Accessibility
   - Associate Vice President for Student Success or his/her designee
   - Academic Department/School representative and/or appropriate faculty member(s)
   - Associate Dean of the appropriate academic unit (college) or designee
   If after this meeting, the situation is not rectified to the student’s satisfaction, initiate Step 4.

4. Request an appointment to meet with the Provost. The decision of the Provost is final.
