THANK YOU for volunteering and making this day possible for the kids! I know you have worked hard, are tired, and just want to turn your scores in and go home. That is fine, but if you have the time and energy, I would greatly appreciate if you could take 1 or 2 minutes to complete this evaluation form. Feel free to respond to any or all of the items below. THANKS!!

1) The back side of this sheet is your Event Summary Page. If something went well, we want to do it that way again. If something wasn’t right, we want to try something different next year.

   Please put a √ or a star next to any part that was good or great. Please put an X by anything that shouldn’t be repeated or should be changed. Add any notes you wish. THANK YOU!

And Specifically:
2) Was your room adequate for your event (i.e. was it large enough, would desks or tables have been better, did you need water, etc.)?

3) What could we, Laurel/and/or/John, have done to better prepare you for your event and/or the day? Please be as specific as possible.

4) – Do you have any other thoughts/comments? I will read these and do my best to address any issues that I can. And….please remember that I did not write any of the rules (although I can forward suggestions/comments to the State & National directors), I just organize our Regional competition.

5) – May we contact you next year to help with Science Olympiad? _____ If yes, please write your name at the top, or here:

Thank you for all of your help, advice and patience! I really enjoyed my first year as Director, you made it easy. I am so glad for your help and am greatly honored to have made your acquaintance!!!

PLEASE PUT THIS COMPLETED FORM BACK IN YOUR LARGE BROWN ENVELOPE AND RETURN IT, ALONG WITH YOUR SCORE SHEET, TEST PAPERS, ETC., TO THE SCORING ROOM.

Please join us at the awards ceremony (SRWC Blue Gym) for lots of cheering and happiness. Award Ceremony will start soon after 5:30 pm. At the ceremony, you will see the joy that results from your effort. (Consider bringing a chair...)
