**School of Counseling Student Wins State-Level Graduate Student Award**

Christina Woloch, at right, a counselor education and supervision doctoral student, is the recipient of the 2018 Ohio Counseling Association Graduate Student Award. The awards ceremony took place at the All Ohio Counselor Conference in Columbus on Nov. 8.

“Out of all graduate students from 52 accredited counseling programs in Ohio, Christina was selected as this year’s award recipient through her leadership and accomplishments in the counseling profession,” noted Dr. Varunee Faii Sangganjanavanich, below right, professor and interim director of our School of Counseling. “We are so proud of her and how well she represents our school and UA.

“Our students have won this award two years in a row and we hope to continue this tradition of excellence,” added Sangganjanavanich, who also serves as Woloch’s faculty mentor, advisor and dissertation chair.

In fact, many School of Counseling faculty and students are in the Ohio Counseling Association Hall of Fame, including Sangganjanavanich herself. She was the recipient of the Ohio Counseling Association Susan J. Sears Counselor of the Year award in 2012, and received the Research and Writing Award in 2014. She has served as executive editor of the Journal of Counselor Practice (2014-2018).
